PROJECTS

Nexa Mart – NexaMart – Full-Stack E-Commerce Platform: Developed a secure MERN-based e-commerce website with JWT authentication, product browsing, category filtering, ratings, pricing, and integrated payment gateway.

Tic Tac Toe Game – Developed a classic Tic Tac Toe game using JavaScript with interactive UI Leaderboard. Implemented game logic to handle player turns, win/draw conditions, and reset functionality, enhancing problem-solving and front-end skills.

Personal Portfolio Website – Built a responsive portfolio website using Pug templating engine, Node.js, and Express framework and deployment experience.

Microsoft Clone – Created a fully responsive Microsoft homepage clone using Tailwind CSS only.

NoteMate - Note-Making App: Created a React-based note-taking web app with Firebase Authentication and Firestore for secure, real-time private note management.
